

CAPABILITIES STATEMENT

www.mooreheadengineering.com

Moorehead Engineering, Inc. is a full-service audio-visual solutions firm, specializing in corporate event management. Our expertise covers installation, setup, calibration, and operation of A/V systems in various settings. We offer indoor/outdoor A/V services for large events and supply high-quality equipment from top brands.

As a result of our past experience with "PSAV (Encore)", and "ON Services", we've provided A/V services for meetings and conferences at premium hotels and convention centers for major corporations such as Lockheed Martin, BMW, Oracle, State Farm, and The Weather Company, just to name a few. From concept to completion, we ensure meticulous attention and quality in every project.

CORE COMPETENCIES

Event Management
Consultation
Sales
Design Build

Operations

Self Performs
Installation

DIFFERENTIATORS

Moorehead Engineering, Inc excels with our in-house team of dedicated audio, video, and lighting engineers. We offer tailored end-to-end solutions, maintain quality control over A/V equipment, seamlessly integrate installations, and prioritize client training and support.

Our team performs exceptionally in rapidly responding to time-sensitive A/V projects, delivering seamless solutions even under tight deadlines and last-minute requests.
